MARBLEHEAD POLICE DEPARTMENT. Gun Control Policies. Chief Picariello appeared before the Board to review the process for a resident to obtain a gun license/permit in the Town. Getting a license starts at the local level and if approved on the local level the application is then entered into a state program for further review. If the applicant is disqualified at the local level they can appeal the decision to District Court. Motion made and seconded to send a letter to State Representative Ehrlich and State Senator Crighton in support of H.3610, the Extreme Risk Protective Orders (ERPO) Bill currently before the Legislature. This bill is aimed at reducing gun violence by redirecting at-risk individuals to counseling and assistance. All in favor. Motion made and seconded to send a letter to United States Senator Ed Markey, United States Senator Elizabeth Warren and Congressman Seth Moulton opposing the Concealed Carry Reciprocity proposal currently before Congress (H.R. 38/S.466). The legislative proposals would override state permitting laws that limit who can carry a loaded hidden gun in each state and would force states to allow individuals to carry guns who are not qualified to do so under their own state laws, effectively nullifying duly enacted state laws. All in favor.
