2. 18 Waldron Court
 Howard Durk
This is a new application for:

- Condenser and lines

Issues discussed include:

- Charles Hibbard absent. Duncan Facey voting member
- Applicant proposes to install exposed refrigerant lines and a condenser at the rear of the property.
- OHDC noted that the rear of the house is not visible from the public way

It was moved, seconded, and voted (5-0) that the work is not visible from the public way and therefore not under the purview of the OHDC.

3. 16 High Street
 Jeff and Annie Rockwell

This is a new application for:

- Modifications

Issues discussed include:

- Charles Hibbard absent. Duncan Facey voting member
- The applicant requests the approval of a modified design of previously approved proposal:
- Removal of the existing side entry
- The substitution of a wood shingle glazed double hung 6 over 6 window
- The addition of a roofed porch. The roof form proposed is a shed roof as opposed to the previously approved gable form
- The deck has been redrawn to be 2'-0" less in width and extended to be co-planer with the house south façade
- The entry vestibule has been eliminated

It was moved, seconded, and voted (5-0) that no estates are materially affected and to Grant (5-0) a Certificate of Appropriateness for all work as proposed.

4. 25 Harris Street
Sarah Bates

This is a new application for:

- Windows and chimney repair

Issues discussed include:

- Replace 18 existing windows with Marvin Ultimate windows
- Request to add one new window has been removed
- Install bathroom vent at left side of house
- Install kitchen vent with maximum size of 10" x 10" at left side of the house
- Applicant requested OHDC to reconsider decision to keep chimney. OHDC noted that the chimney is a historic feature that should be preserved.
- OHDC noted that the windows that face Harris Street should remain single pane true divided light wood windows based on the proximity to the public way.

It was moved, seconded, and voted (5-0) that no estates are materially affected and to Grant (5-0) a Certificate of Appropriateness for all work as proposed with the following amendments: 1. The four (4) windows on front elevation facing Harris Street (2 on 1st Floor and 2 on 2nd Floor) shall be repaired or restored or replaced with new windows that are all wood, no cladding, single pane, true divided light 6 over 6 with 5/8" muntins, full frame replacements in same sizes and locations as existing. 2. All other windows approved as Marvin Ultimate simulated divided light wood windows, full frame replacement, in same sizes and locations as existing. 3. Proposed additional window is withdrawn. 4. Existing chimney to be restored.
