

I, Moses A. Pickett of Marblehead in the County of Essex, do make and publish this my Last Will and Testament.

After payment of my debts, I give and bequeath my Estate as follows:

First. I give and bequeath to Sarah Ann Smith, a daughter of Cyrus and Lucy Smith, Five Shares in the Capital Stock of the Western Railroad Corporation, to her and her heirs forever.

Second. I give and bequeath to Anne I. Smith, a daughter of Cyrus and Lucy Smith, Two Shares in the Capital Stock of the Western Railroad Corporation, to her and her heirs forever.

Thirdly. I give and bequeath to Cyrus Frederick Smith, a son of Cyrus and Lucy Smith, Two Shares of the Capital Stock of the Western Railroad Corporation, to him and his heirs forever.

Fourthly. I give, devise and bequeath all the rest and residue of my property both personal and real, to the Inhabitants of the Town of Marblehead forever, to be received, held and managed by the Overseers of the Poor of said Town and their Successors in Office, in trust, for the following purposes, viz -

First. To pay to Moses P. Graves, a son of John B. Graves, the sum of Forty Dollars a year, in equal quarterly payments of Ten Dollars, during the natural life of said Moses P. Graves.

Secondly. To pay to Michael B. Graves, a son of said John B. Graves, the income of Three Shares in the Capital Stock in the Marblehead Bank, during his natural life, and lastly to appropriate and expend the balance of the income for the following purposes, viz -

To comfort the Widow and the fatherless, the aged, the sick, and unhappy, such persons being Inhabitants of said Town of Marblehead.

My wish is, that the said Overseers retain the real estate herein devised, and keep it in repair and let it to Widows at a moderate rent, said Widows being natives of said Town of Marblehead, the income to be expended at such time, and in such manner, and for such articles, as the said Overseers for the time being may think advisable and proper, and on the decease of the above named Moses P. Graves and Michael B. Graves, respectively, to appropriate the whole income of said trust property to the relief and comfort of said poor persons.

And I hereby request that the said Overseers of the Poor for the time being and their Successors, may not be required to give bonds to the Judge of Probate for the performance of their duty as Trustees.

Oct. 27, 1852.
