

Procedure for Seasonal Water Turn-ons

March 2025

The following process needs to be completed for a seasonal water turn-on:

- Water and Sewer account balances must be paid in full.
- Seasonal Service Accounts Receivable (SAR) invoice must be paid.
- The owner (or caretaker) should call the Marblehead Water and Sewer Commission office at 781- 631-0102 to schedule a seasonal turn-on appointment. Appointments are scheduled based on availability.
- On the day of the scheduled appointment, an individual 18 years or older must be onsite when the meter is installed, and water is turned on. A member of the water department crew will install the meter and turn-on water service.
