Bubier Road (Atlantic Ave to Harbor): Water main replacement is complete and has passed two rounds of water quality sampling. Water service reconnections are complete and temporary bypass piping is expected to be removed the week of August 4, 2025.

Pleasant Street (Vine Street – Lafayette Street): Temporary bypass installation is complete and has passed two rounds of water quality sampling. Service reconnections will continue **Saturday, August 2, 2025.**

If you requested an appointment for this bypass connection, a representative from the Commission will be reaching out to you.

During the first week of construction, always check that the cold water is running clear prior to using hot water. If discolored water is noticed, please flush your water system by running a faucet in your sink (*cold water only*) until the water clears. Refrain from running hot water or doing laundry until the water runs clear.

Contact:

Throughout the work duration, the Engineer representative, and Assistant Superintendent will be on-site for any questions. Residents are also encouraged to call the Water Department if they have any questions.

Traffic Patterns:

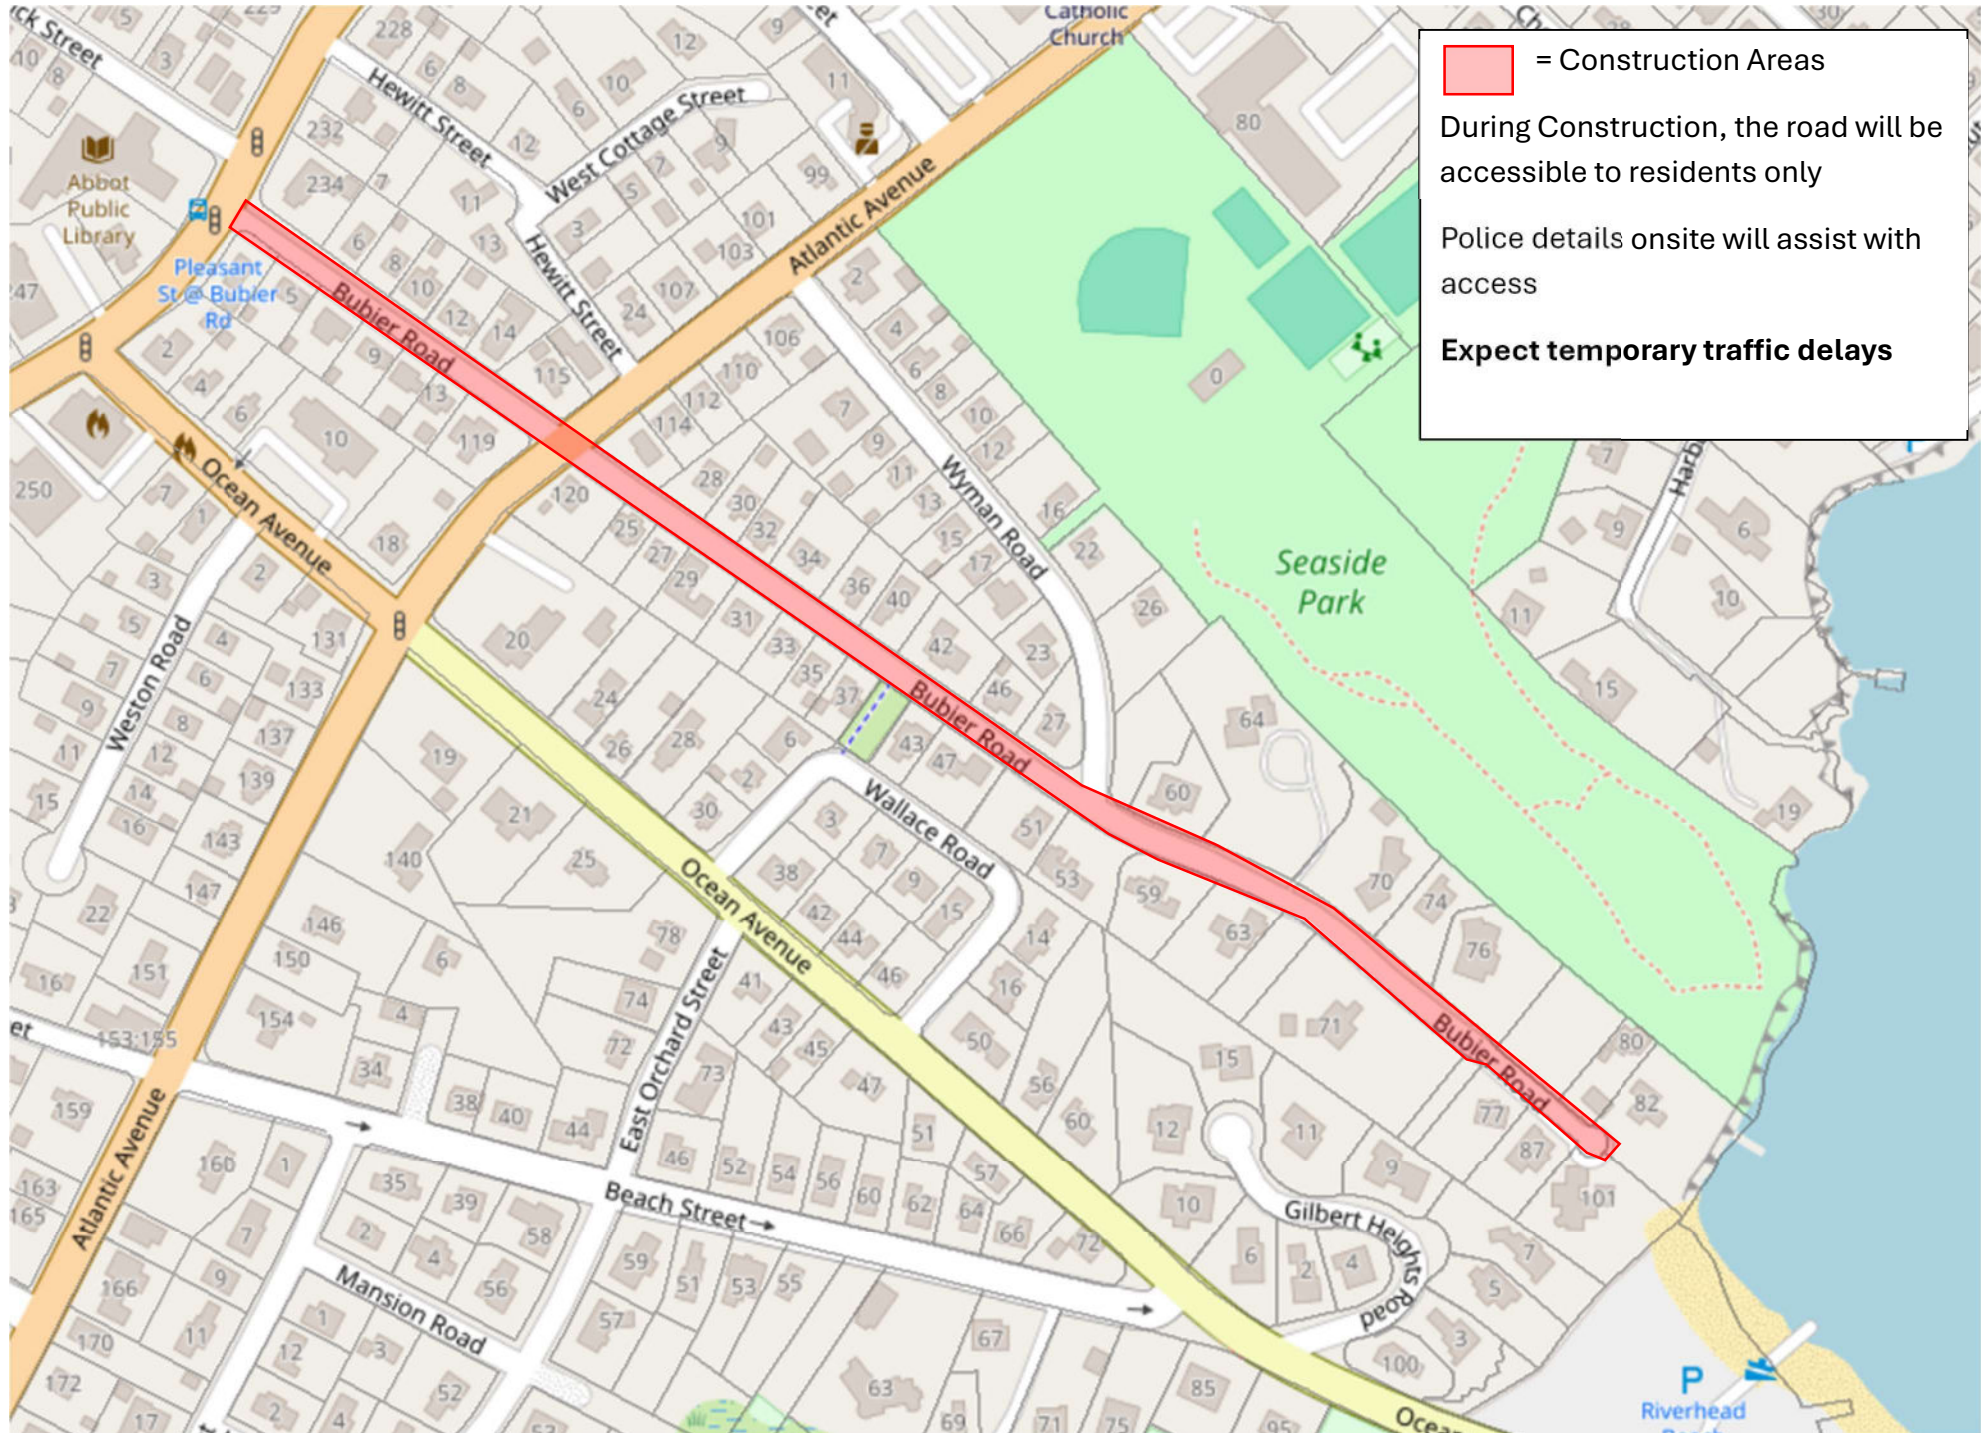

During construction on, the road will be accessible to residents only. Police details will be onsite to assist with access.

Work Area:

Please see the maps below for the work area.

CAUTION: DO NOT HIT OR PARK ON THE TEMPORARY WATER LINES AS DOING SO WILL DAMAGE VEHICLE TIRES. PLEASE DO NOT MOVE THE ORANGE BARRELS THAT ARE PROTECTING THE WATER PIPES.
