

Fair Housing Committee Minutes
July 16, 2015
Mimi Hollister, Scribe

Present: Ann Cohen, Wendy Webber, Andrew Hare, Don Davies, Mimi Hollister – acting chair in Jim Vipperman's absence.

It was agreed that the survey of town employees draft document is fine and should go out in September, since some teachers do not receive paychecks in the summer. Mimi will follow up with Jim Vipperman on this upon his return.

Alex Finigan's email about the FHC website was discussed:

Thanks to Alex for very clear and helpful construction of the website.

Agreed that income guidelines SHOULD be included, even though they change somewhat. The updating of the website should be part of our ongoing oversight.

Becky Curran-Cutting, the Town Planner and Tom McGinn, the Town Administrator, are the contact persons for website revisions.

On the list of affordable housing in Marblehead, the two townhomes that were purchased and renovated and sold as affordable should also be listed. There is one on West Shore Drive and one on Pond Street.

Andrew Hare will set up an email to be included: marbleheadfairhousing@gmail.com. Who will check this periodically?

Wendy could create a Facebook page for Marblehead Fair Housing. She will also copy out the current website and compare and see if it can be used/incorporated in the new website. She would like to work with Alex and Andrew on finalizing all that.

It was suggested that this be added: "Further information about the town can be found on the town website links, such as Parks and Recreation, School Committee, Council on Aging, etc.

There was a question whether the website should be anywhere else besides on the town site – an independent one?

Next Meeting: August 20, 7:00 pm
