Public Participation:

Jonathan Lederman of 8 Ida Road came before the Board to share his concerns regarding the trash limits from new trash regulations. He has a family of nine and currently puts out two 65 gallon trash totes. He would like suggest that in order to discard additional trash the Board institutes a pay-as-you-throw option. Michelle spoke about the MADEP grants and the requirements to be eligible. Mr. Lederman asked about two family homes and the number of barrels permitted. He will be allowed to label barrels with an "A and B".
