

MARBLEHEAD RAIL TRAIL PROJECT

Site Walk & Listening Session

WHEN: Wednesday August 13th AT 4:00 PM

Site Walk Locations

Salem Branch – West Shore Drive to Lead Mills (Meet at 4pm)

Swampscott Branch – Smith Street to Seaview Avenue (Meet at 5:15pm)

PUBLIC ENGAGEMENT OPPORTUNITY

The Marblehead Department of Community Development & Planning is inviting the public to join us on a site walk and listening session to discuss proposed improvements along the Marblehead Rail Trail. The Community Development & Planning Director, Town Staff, and Project Consultant, Toole Design Group, will be providing an overview on the preliminary design details, solicit public input, provide a tentative project schedule, and include a Q &A session throughout the public site walk. (***SEE PAGE 2 SITE WALK DETAILS AND SEE PAGE 3 WALKING MAP AND WALK TIMES***)

Marblehead Rail Trail

Site Walk and Listening Session

Salem and Swampscott Branches

July 28, 2025

Purpose
**To walk the proposed
shared-use path
alignment and
LISTEN to your
comments**

Project Goals

Connectivity/Access:

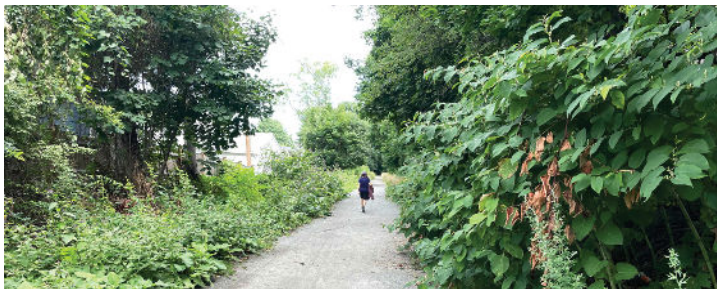

- Recreational, Cultural, and Economic linkage
- Local and regional trail connection
- Promote carbon-free transportation

Ecological protection/restoration:

- Improve natural linkage
- Stabilize and restore resource areas
- Water Quality

Alternative Transportation/Traffic Mitigation:

- Provide alternative transportation resource
- Design for all trail users
- Enhance connections to schools, business districts, and neighborhoods
