PRESS RELEASE

Republic Services will collect recycling the week of August 18. Please place both trash and recycling curbside on your regular collection day by 7am. We are asking that people limit the amount of recycling placed curbside to a total of 65 gals. **Recycling will be collected on an every other week basis until further notice.**

We will continue to give the missed street list to Republic Services daily. **If your trash or recycling is not collected, please leave it out.** Please notify the Health Department if your street has not been collected for either trash or recycling at the end of the routine collection day.

The transfer station will continue to be open to all residents for curbside trash and recycling, stickers are not required at this time. **The Swap Shop will remain closed during the strike.**
