Future of former Coffin School

The Town is continuing to seek community input on the future of the former Coffin School property on Turner Road.

The site has been vacant since 2021 and is being evaluated for various reuse options. Feedback from residents will help inform future planning and decision making.

The Town's consultant, UCONN TAB Program, has created a public survey to collect feedback and implement comments into the Site Reuse Assessment Report and Site Renderings.

Please scan the provided QR code to learn more and to provide your input or click this link <https://tinyurl.com/2c5an42u> to access the survey!

Marblehead Meeting

For project information please contact Brendan Callahan, Director of Community Development & Planning at 781-631-1529 or at callahanb@marbleheadma.gov.
