Dear Fellow Marblehead Resident,

Our Town Health Department has been so kind to let the Marblehead Fireworks Committee include its annual request for donations along with this mailing. We are asking that each household please consider making a donation of **\$20–25** to help support the **4th of July Harbor Illumination and Fireworks Display**. In round dollars, it costs us about **\$80,000** to put on the Harbor Illumination and Fireworks Display every year.

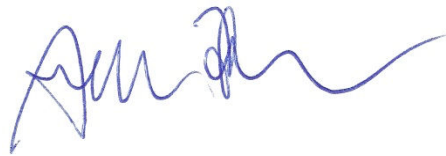

We also ask the Mooring Permit Holders, the Business Community, Civic Organizations and Clubs to help by making significant donations and most of them do! We ask the Yacht Clubs and marine related businesses to make significant donations and they do! This is truly a community effort, and we are thankful for all your contributions.

Each year the Fireworks Committee takes on the task of organizing, planning, and executing the **Annual 4th of July Harbor Illumination and Fireworks at absolutely no cost to the taxpayers**. Nonetheless, for many years Coastal Living Magazine has named Marblehead as one of the Top Ten places in the entire country to celebrate the Fourth. **Our ability to keep this tradition going is only possible through the generosity of our Community!**

Please visit our website at <https://marbleheadfire.works> where you can get more information and tips on the best viewing locations for the **4th of July Harbor Illumination and Fireworks**. Please make your checks payable to **The Town of Marblehead** and mail your donation to the **Marblehead Fireworks Committee, c/o Office of the Select Board, Abbot Hall, 188 Washington Street, Marblehead, MA 01945** and mark **FIREWORKS** on the check and on the outside of your envelope.

Alternatively, you can also donate online through our 501(c)3 organization *Friends of the Marblehead Fireworks* at <https://fireworksforever.org>, or you can simply scan the QR code on this letter with your smartphone to donate directly via Venmo or donate via your donor-advised fund (DAF) by searching for EIN 46-4756810.

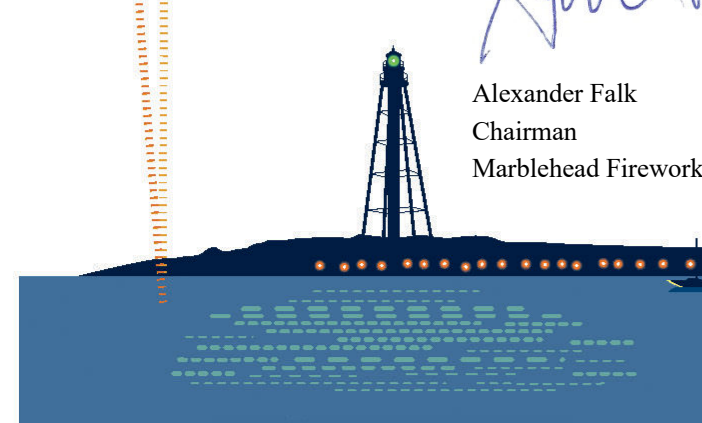

In closing, I would be remiss if I didn't say Thank You to the many donors and volunteers who have made the fireworks possible in the past.
