

NOTICE TO MARBLEHEAD RESIDENTS

Upcoming Delivery of Smaller Trash and Recycling Carts

Dear Marblehead Residents:

The Town of Marblehead is pleased to provide an update regarding the delivery of the requested smaller trash and recycling carts.

Delivery of the carts will begin on **Wednesday, August 19, 2026**. Beginning that day, carts will be delivered **according to the trash collection schedule**, starting with residents on the **Tuesday trash pickup route**. Please leave Town trash and/or recycling carts curbside following your day of collection for all exchanges. Deliveries will continue in this manner throughout the week. **Deliveries will be Monday through Friday.**

Residents should expect their smaller cart to be delivered **the day after their scheduled trash and recycling collection**. For example, if your regular collection day is Tuesday and you are scheduled to receive a smaller cart, delivery is expected on Wednesday.

***Reminder: Please, make sure carts being picked up are empty and accessible at street. ***

If you have requested a smaller cart and have **not received your delivery by the second day after your scheduled collection**, please notify the Marblehead Health Office so that we can follow up with your request.
